#### ABOUT BUSINESS LICENSES

Business licenses are non-transferable and are issued for a specific location. If you business changes location or ownership, a new business license application must be submitted. For businesses with multiple locations in the City of Lynnwood, a separate business license is required for each location.

**Business licenses expire December 31 (with the exception of taxicab businesses) of the calendar year issued.** Failure to renew your license by February 15 of the following year will result in an additional penalty fee. A renewal notice will be sent to your mailing address at the end of December each year. It is the business owner's responsibility to keep the address on record current.
